CORRAL

FOREWORD

We have attempted to prepare an annual worthy of Arlington High School. It is difficult to place a whole year on paper, to use the appropriate adjectives to best describe sportsmanship, defeat, and victory.

There have been changes, for change is traditional. Yesterday is dead; it is for today that we live and tomorrow that we face with courage, hope, and conviction.

Please accept this annual of today for pleasant memories tomorrow.

— — *THE ANNUAL STAFF*

.... And so starts another day for the busy principal of Arlington High School.

DEDICATION

For his kindness and leadership extended to the faculty and students, for his devotion to the school as teacher, vice-principal, and principal, for his concern and interest in the student body, we are honored and privileged to dedicate the 1961 Colt Corral to John Webb.

This was the fifth year students of Arlington were privileged to attend the large, modern senior high building. During the year our school served as the place

of mental and social growth. We will all remember our year of work and fun in Arlington High School.

BJORN ARRIVES FROM NORWAY

Bjorn Lindvig is met at the airport by Mr. Webb and his family.

Our foreign exchange student this year is Bjorn Lindvig from Norway. In contrast to our exchange student last year, Leslie MacFadden from Brazil, Bjorn comes from one of the coldest places in the world.

Bjorn got into the swing of things after his arrival here by being placed in the Colt marching band. He learned to play the trumpet in his spare time because music and extra-curricular activities are not provided by his school in Skein, Norway.

In regard to dates in Norway, skiing and ice-skating are predominate, while in the summer, swimming and shows are as popular as they are in America. Bjorn is an avid sportsman participating in skiing, soccer, gymnastics, and basketball. They do not have baseball in Norway. In fact, he saw his first football game at AHS.

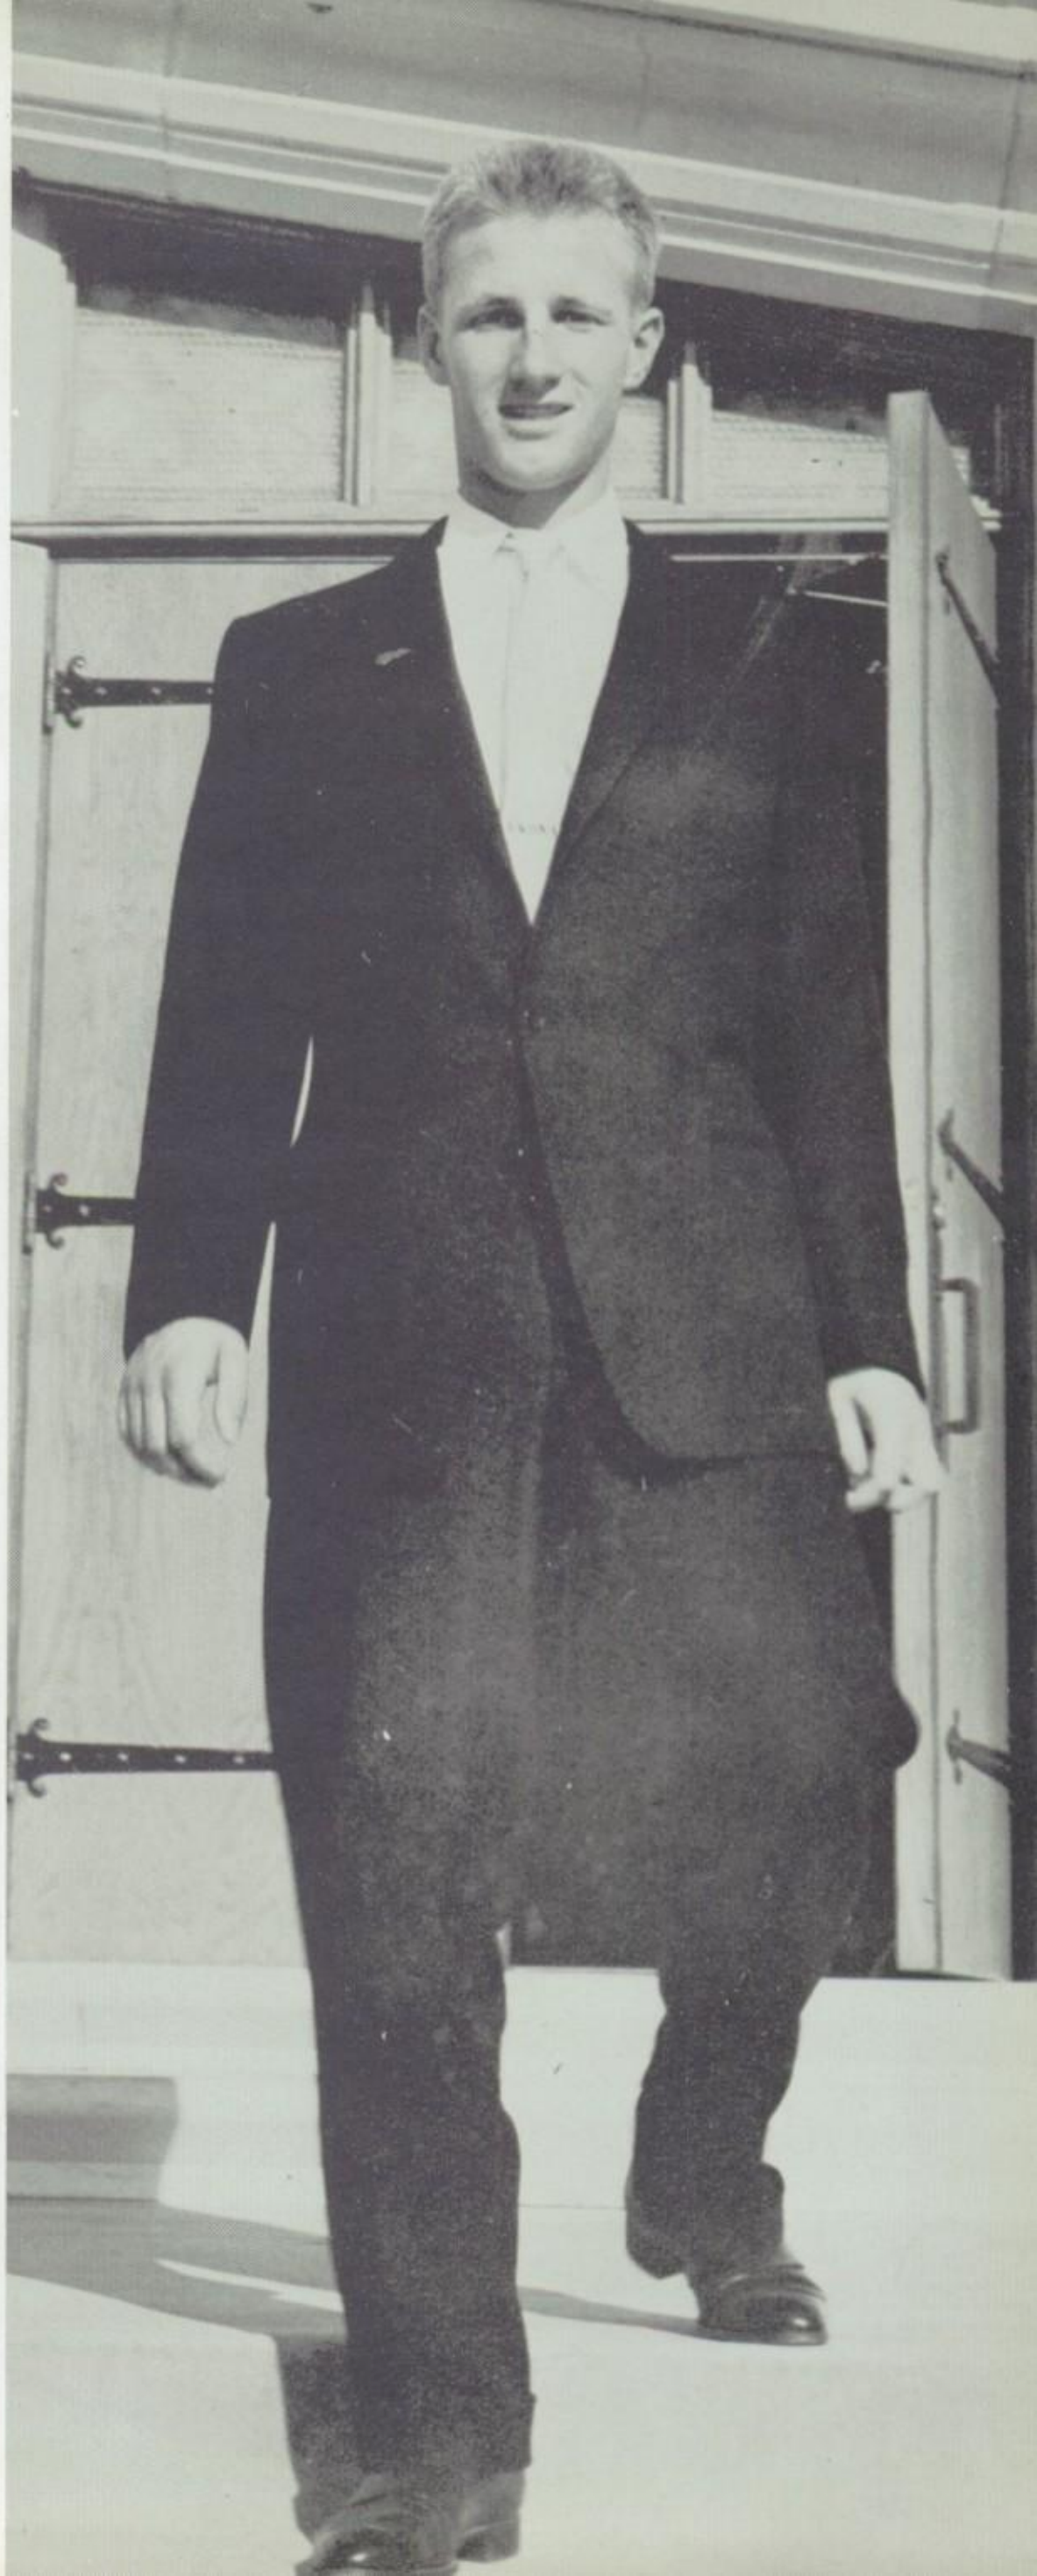

This year Bjorn is taking civics, speech, English, American History, and band. His schedule this year at AHS is quite different from his previous ones because no electives are allowed in Norway.

After he returns to Norway, Bjorn plans to major in economics in a college there.

After he graduates from AHS, Bjorn will return to his own school where he will still have two years to complete in high school.

Bjorn is living with the family of Peter Sparrow who is a senior this year.

We sincerely hope that Bjorn has enjoyed his stay at AHS and will succeed in his attempt to better the relationship of America and Norway.

And I have to take history, algebra, and English.

Why so much excitement over a little ring?

FALL

Fight, Fight!

SPRING

School Officials Warm

Certainly one of the most valuable people at Arlington High School is our principal, Mr. John Webb. Although he is considered to be quite businesslike, Mr. Webb is never without words of encouragement and inspiration.

Mr. Webb was born in Clarksville, Texas. He later attended North Texas State College, Arlington State College, Gainesville Jr. College, the University of Texas, and Northwestern in Chicago.

Before coming to Arlington High School, Mr. Webb worked at Belton Jr. High School where he served as coach.

He has received a B.S. in business administration and a Master in history. At present he is attending the University of Texas where he is studying educational administration.

Mr. Webb is quite active in civic and community affairs. He belongs to the Kiwanis Club and the First Methodist Church.

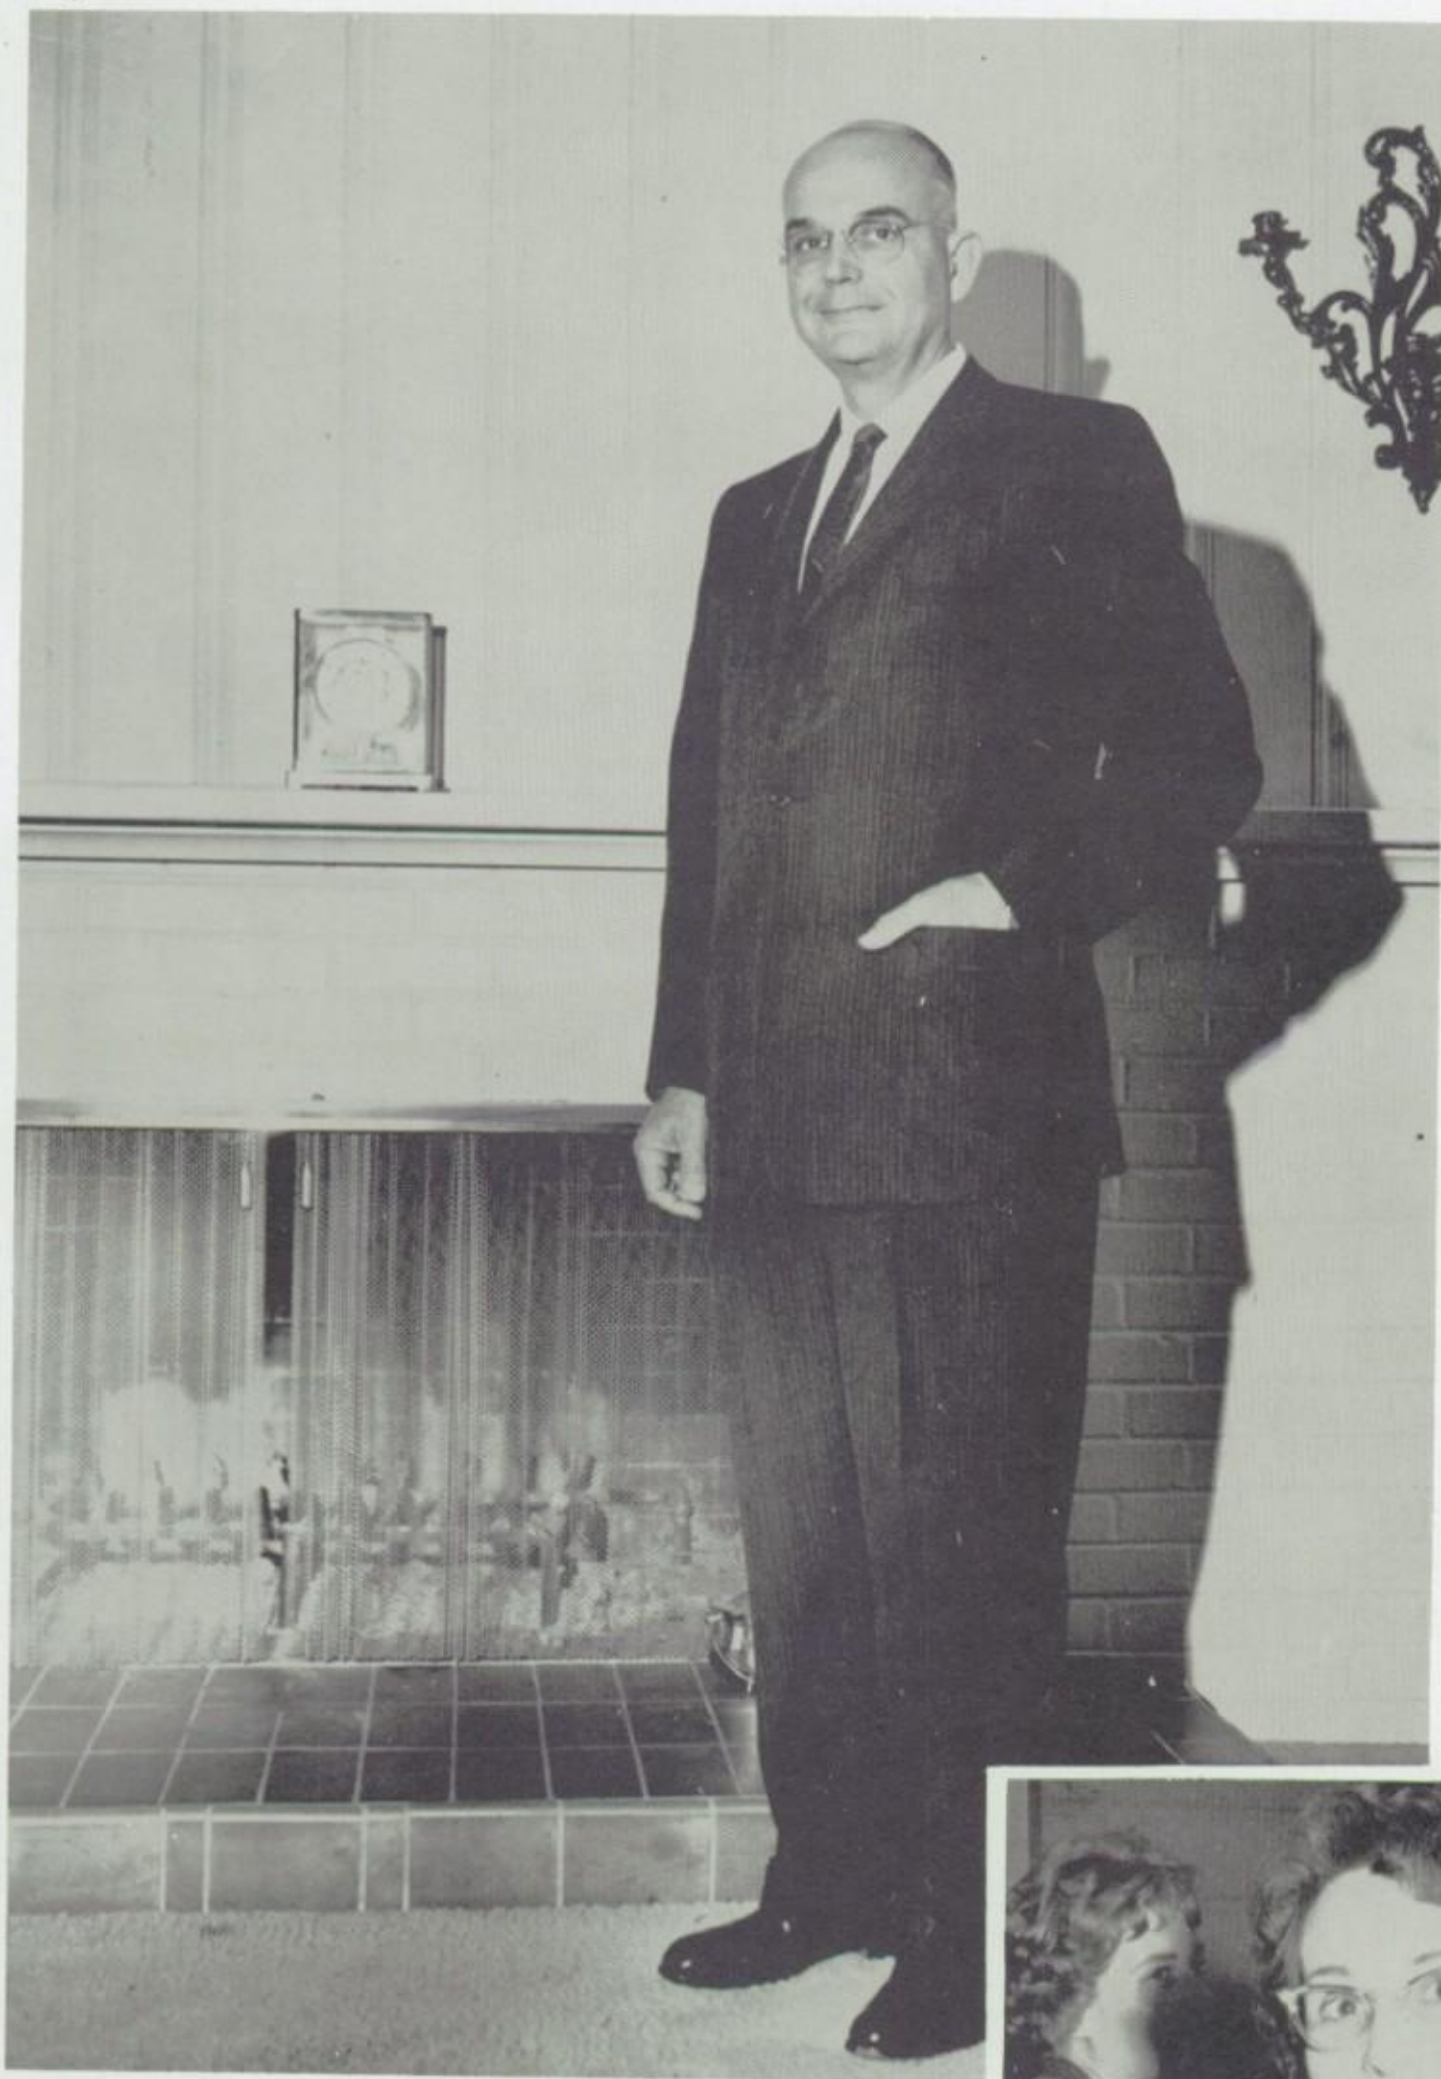

John M. Webb, Principal

Mrs. Elizabeth Malone

Mrs. Elizabeth Malone serves as secretary to principal, John Webb. Her duties include taking dictation, transcribing outgoing correspondence, and distributing all incoming mail. During football season she makes arrangements for reserved football tickets. Mrs. Malone is truly an asset to Mr. Webb's office and to the efficient operation of the school.

Spirit of Students

Harold W. Key, Vice-Principal

"A man's work is from sun to sun." This phrase does not apply to all men. One of those men is Mr. Harold Key, Vice-Principal of Arlington High School. During school hours is not the only time that Mr. Key works for the betterment of AHS. Mr. Key is one of the men who give many hours a day beyond the regular work day to his job.

Mr. Key was born in Sherman, Texas. After completing his high school education, he attended Texas Christian University. He majored in chemistry and earned a B.S. and M.A. in chemistry and education respectively.

He has served Arlington High School for many years, first as a math teacher, and now as Vice-Principal. Other than Arlington High School, Mr. Key has taught in a variety of places.

He is active in many community organizations. He belongs to the First Methodist Church and the Masonic lodge, is an active participant in teenage baseball, and also belongs to the Texas State Teachers Association.

Mrs. Audine Whitten

Mrs. Whitten's warm smile and gracious attitude is a familiar trademark in the high school office. She is the secretary to our Vice-Principal, Mr. Harold Key. Her many duties include answering the telephone, student registration, filing, and aiding Mr. Key in his various jobs. Because of her personal interest in the students of Arlington High School, she has won many friends among students and teachers alike.

MR. JERRY SMITH
Counselor

"Do not open the test booklet until we are ready to begin." Any one taking one of the many vocational and educational tests given by Mr. Smith has heard this phrase. These tests are used by Mr. Smith to help the student plan his high school program. Students having trouble with a subject or needing aid in forming college plans are welcome to talk with him at any time. He is well qualified for his job as he holds a Master's degree in education and is currently working on his Ph.D from North Texas. He has taught in the guidance institute at North Texas and summer school at T.W.C.

School Specialists Give Advice And Help To Students

MISS MAMIE PRICE
Dean of Girls

During her three years as Dean of Girls, Miss Price has served as an example of a gracious and understanding woman to all the girls at A.H.S. Her warm, friendly manner makes it easy for any girl having personal or school problems to confide in her. She has executed her many responsibilities which include any problems of discipline and attendance of girls with calmness and efficiency. Formerly a Texas and American History teacher, she remains interested in history and is now a member of the Texas State Historical Association. She is a graduate of West Texas State and now holds a Masters degree in history.

MRS. NEWANA COUNTS, R.N.

School Nurse

One of Arlington's five public school nurses, Mrs. Counts, is now serving her twelfth year at AHS. During this time she has proved effective at curing nearly everything except severe cases of "term theme-itis" and "I forgot to study for that test" headaches. She is also busy serving as sponsor for the Future Nurses Club. Interested in young people, she encourages them to get all the education they can. Following her own advice, she is currently working on a degree in elementary education at North Texas State.

MRS. HELEN STRICKLAND

Supervisor

Most students do not realize how much the duties performed by Mrs. Strickland affect the subjects they study. As instructional supervisor she works with the teachers to plan the year's course of study for grades seven through twelve. She organizes and plans the departmental meetings and provides the teacher with various instructional aids. When new courses are introduced to the curriculum, she works with the teachers to determine the objectives and plans of study. By aiding the teachers she in turn aids the student.

MRS. JUANITA SKELTON

Speech Therapist

As speech therapist it is Mrs. Skelton's job to help the students with speech and hearing problems. She works at both the high school and C.E. Dunn Elementary School. At high school she has a regular class made up of students who have speech defects. The other students may come and talk to her individually. Her membership in the Council for Exceptional Children and the American Speech and Hearing Associations help her execute her job more effectively. She was graduated from West Texas State and received her M. A. from Denver University.

Student Body President, Harry Allison, presides at an assembly.

Harry Allison's election to student body president climaxed four years of service to his school. He has played football, basketball, and run track. The past two years he played on the "A" football team and was starting center for defense this year. During his junior and senior years he spent much time in practicing for the class plays.

He served as class president his freshman year and as social chairman his sophomore year. That same year he was elected class favorite. His willingness to contribute many hours of service to his school and his warmth and friendliness made him deserving of this honor.

Raising Campaigns

The Student Council is the backbone of student body organization. It provides training in leadership and citizenship. Giving the students an opportunity to understand the principles of government, they have the chance to participate in a small scale election. An executive committee composed of the officers and sponsors meet twice a month. The full council made up of representatives from all home rooms and the presidents of the various clubs meet the other two Tuesdays. In the executive sessions plans are made for the next meeting and they work out any problems concerning the student body and encourage harmony between teachers and students.

During the year, the Council sponsors a Valentine Dance, Western Day, Twirp Week, Homecoming, the Halloween Carnival, and Howdy Week. Student Council members also aid the senior class in the sale of magazines. The money they raise throughout the year is used to provide needed equipment for the school such as flags for the stage and a pitching machine for the baseball team.

Howdy Week Forms Lasting Friendships

Ira Evers is having to perform for Lynn Waibel. Wonder if Lynn will sing for Mr. Faulkner.

"Hi," "Howdy," and "How do you do, sir?" became the theme of the two days allotted to the traditional Howdy Week. Seniors took advantage of their status to make the Juniors sing the fight song and Alma Mater. The Juniors took it upon themselves to initiate the Sophomores to their first taste of school tradition by making them sing, too. The teachers had the privilege of making all classmen sing.

Though there were a few sore throats, many people made lasting friendships during this week.

HALLOWEEN-1960

Booths, prizes, and surprises are just a few words to describe the fun-filled Halloween carnival this year.

The juniors took first place in the booth competition featuring a side show, a sponge throw, and a slave auction. The juniors working on the winning booth were Mike Farhat, Mills Boone, Kenneth LaJudice, Dick Carmichael, Bonnie Beebe, Don Mebus, Marsha Hunt, and Kay King.

The sophomores featured a country store, apple bobbing, and a spook house. The senior's booths were portrayed by a cake walk, chances on a stuffed dog to be raffled off, and a chance to "let off steam" by brutally beating on a car bought by the senior class.

A lot of work went into making this year's carnival a success.

It doesn't feel very fresh to me.

Who in the world is "Flaming Mamie?"

The things that I do for school spirit!

Well, I never.....

Oh, Nancy, you have just as much chance as anyone else.

I sure hope the owner doesn't come back!

Come on now, let's get to work.

Oh, this pounding headache.

I'm sorry, Sir, I only work here.

I'm just so glad to be here.

Aw, come on, Miss Amos, give us our food.

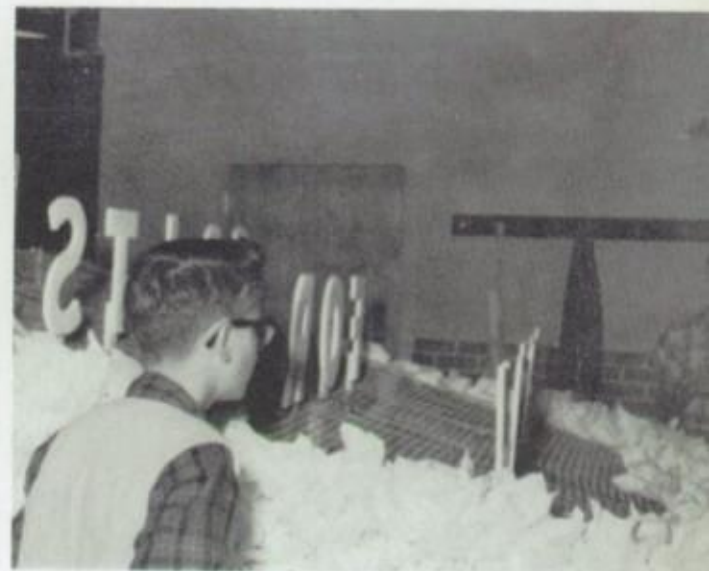

HOMECOMING MAKES LASTING IMPRESSION

Work hard--this is our last day!

What a mess!

It looks pretty good.

Don't go to sleep now--we aren't through.

Building a birdhouse, boys?

With the excitement of Homecoming hanging in the air, Sophomores, Juniors, and Seniors busily worked on floats, preparing for the big day ahead. The week-long activities were climaxed on Friday, November 4, with the pep rally, parade, game, and dance.

School spirit was at its peak during the morning pep rally when the Homecoming Queen nominees and Coming Home Queen were presented. Classes proceeded as usual until 2:30 in the afternoon when school was dismissed for the parade. In this parade, the longest in the school's history, rode the Homecoming Queen nominees-Darlene Barton, Jeannie Elick, Bobbie Burchfiel, and Paulette Grubbs. Various clubs and organizations, along with the classes, were represented by floats.

Football fans began pouring into the stadium at 6:30, an hour before kick-off time. Paulette Grubbs was crowned Homecoming Queen at half-time, and Harry Allison administered the traditional kiss. First place float was won by the newly-formed Vocational Industrial Club. The Senior class float won second place, with F.T.A. placing third. The only cloud hanging over the festivities was the Wichita Falls football team. Although the Coyotes defeated the Colts, 34-14, the Colt 11 managed to score more points against them than any other team in District 4A-4.

To conclude a memorable Homecoming, a dance was held in the cafeteria with Danny Burke's orchestra providing the music.

Mrs. Bucher, Coming Home Queen, and the other girls enjoyed the pep rally.

Hey Bonnie! your bloomers are showing!

Here comes "Peter Gunn."

I've never had a mum before.

The Seniors were proud of their float.

The first-place V.I.C. float was unique.

The Coyotes flunked this course.

The Camera Club car held four smiling girls.

The Library Club float was one of the most beautiful.

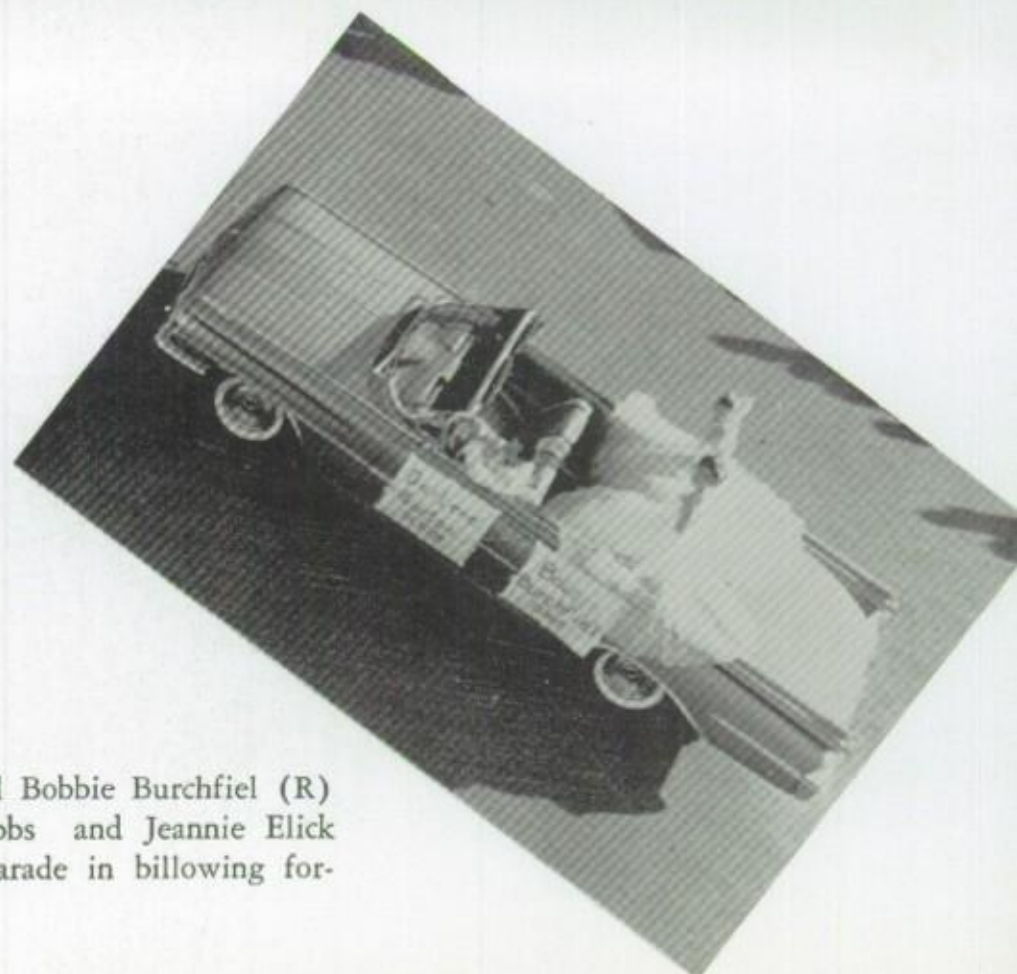

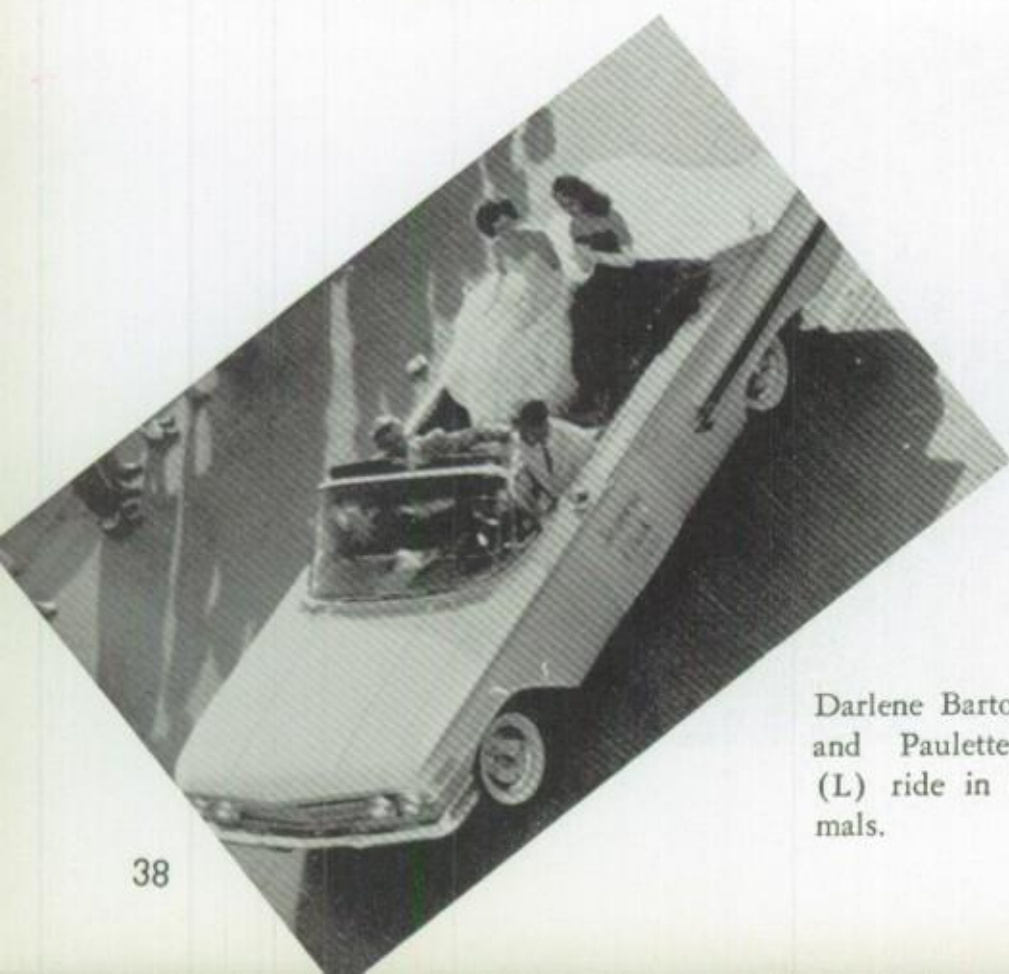

The Junior float was an eye-catcher.

P.T.A. Gives Founders Day Production

AHS students had several parts in the annual PTA Founders Day production February 17 and 18 in the auditorium. The theme this year was to show our American way of life to Bjorn Lindvig, our foreign exchange student from Norway.

The Choraliers and Melodiers, the Colt Band, and individual AHS students were among the performers. The high school PTA presented Miss Elizabeth Amos, junior English teacher, the life membership to climax the AHS participation on the program.

The hopefuls for Western Day Queen await the judgement.

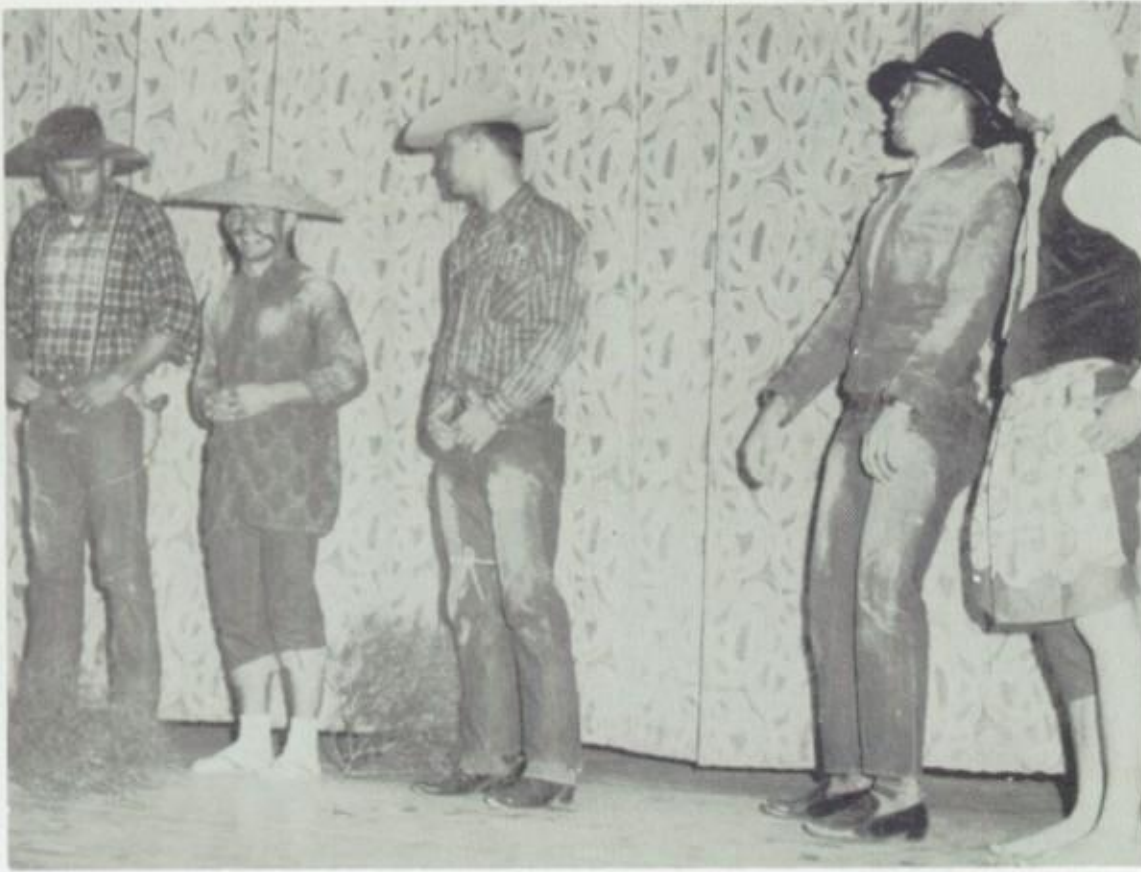

It was a close contest among the boys.

"Two Kings and a Queen", formerly the "Mellow Three" entertain with western music.

This year's Western Day proved to be very interesting. Students came attired in every conceivable type of western clothes. Stripes and plaids proved to be very popular among AHS'ers.

This year was the first year in the history of the school that in the contest for king a tie was called, and two boys ruled for the day. Clinton Veres and Gordon Reddy were the two kings and Jerry Tucker reigned as the queen. Tony Gaines, Billy Marks, Jackie Summerford, Marvin Matthews, and Jerry Jones gave a skit on the founding of Arlington High School.

Holland Achieve Success in Student Council Elections

March 14 marked an exciting day for six juniors, Lee Hart, Robert Young, Mike Farhat, Nan Collins, Beverly Caddel, and Judy Holland, competing for president and secretary of the Student Council. The day was a climax for a week of preparing posters, tags, and speeches and one day of frenzied campaigning. In a morning assembly, held the previous day, the candidates and campaign speakers presented the student body with the qualifications and desires of the candidates.

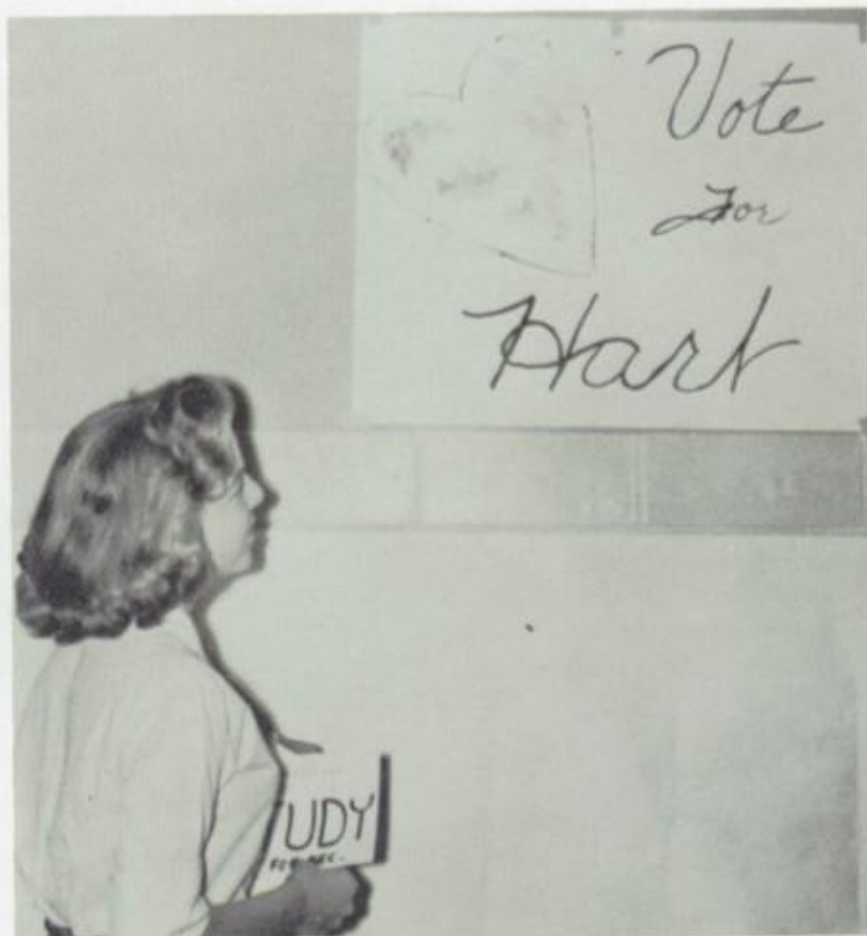

After an all-wide school vote, Mike Farhat and Judy Holland were announced as the president and secretary of Student Council for 1961-62. The new president and secretary along with Harry Allison and Mary Cofer, president and secretary for 1960-61, attended the state Student Council convention in Odessa later in the year.

Mr. Smith, Student Council sponsor, and Mary Cofer, 1960-61 secretary, counted more than 1500 votes in the election.

This year the club sent a representative, Joe Frank Hall, to Austin to learn the fundamentals of the state government.

Juniors Have Social After Many Delays

Junior boys participate in one of the many games at the social.

The junior social was held at Lucas Park this year after many delays. As they entered the park, each junior was given a green or white tag to distinguish the two different teams for the games to be held. A potato race, a three-legged race, and a tug-o-war were just a few of the games.

A sneak preview of the junior play was given by Kay King and Lee Bush. Hot dogs, cold drinks, and potato chips were served. Go-cart rides were available to juniors wishing to ride them. Those serving on the game committee were Karell Sommers, Norman Roberts, Kathy Dormier, Jimmy Ashworth, Nan Collins, Dee Butler, Phyllis Russell, Donna Post, Gayle Starke, and Suzie Deering.

I wouldn't drink that if my life depended on it.

Seniors Choose "Untouchables" As Theme

The senior syndicate, alias the senior class, met one night in January to hold their annual convention, the class social. There was an abundance of beads and pop guns since the class members were asked to dress in keeping with the theme.

Decorations depicted the New York City skyline and characters from the television show, "The Untouchables." During the evening Bobbie Burchfiel and Chuck Brittan were chosen as ones having the best costumes.

Sally Gould and Mr. Key engaged in a lively conversation about the "good old days."

Chuck Brittan and Bobbie Burchfiel were selected as the best dressed couple at the senior social.

Janet Cunningham and Sheilah Kerman represented the spirit of fashion at the sophomore social.

Rusty Workman seems to have found something to interest him in the program.

Those football heroes always get the girls.

Sophomores Enjoy First Class Social

For their first social of the year, the sophomore class met in the school cafeteria. The twenty's was selected as the theme and students, attired in the style of that time, danced and had a good time.

Red, yellow, blue, and orange streamers decorated the room. The program, presided over by class president, Nicky Joy, consisted of girls dancing the Charleston, monologues, and imitations.

Susan Miles and Andea Matthew entertain class members with a Charleston to "Yes Sir, That's my Baby."

Proms Highlight Year

The Junior Prom? Well, I might be able to!

Getting ready for the proms is always a big occasion for the Juniors and Seniors at A.H.S. The Junior Prom and the Senior Banquet and Prom take place in May of each year. The proms require much preparation for the busy, but happy, students.

Although the Foreign Language Club was just formed two years ago it is now one of the largest organizations in AHS. In order to become a member, one must already have two years of Latin or Spanish or be enrolled in a second year class, and have a high scholastic average.

An annual Christmas party and the sponsorship of the foreign exchange student are among the activities of this important organization. It is the belief of the organizers of Latina-Espanol that an understanding of foreign countries can be promoted through mutual understanding of their languages.

"Victory, victory is our cry...." How many times this year have we heard this cry and other similar yells meant to bring our spirit and enthusiasm to full pitch? Undoubtedly, many times. However, few of us stop to think how many hours of practice and how much energy have been spent for our football, basketball games and pep rallies. The activities of our cheerleaders have not only been limited to these functions for, in addition, they have sponsored all after game dances and the election of Mr. and Miss School Spirit.

To Miss Melba Roddy we also owe our appreciation. A cheerleader sponsor for fifteen years, Miss Roddy has helped our cheerleaders to perfect their routines and accompanies them on all out-of-town trips.

To Miss Roddy and our cheerleaders go our appreciation for making our school year and its activities more exciting and memorable.

Good Sportsmanship Encouraged In A H S

Harry Allison makes a short speech at the Sportsmanship dinner.

It is the purpose of the Sportsmanship Committee to encourage good sportsmanship among the schools participating in the District 7A athletics. Awards are given both basketball and football.

Winners of both the basketball and football awards are determined on the basis of points awarded by members of each school's sportsmanship committee. This committee consists of representatives of the football team, or basketball team, the faculty, the band, the cheerleaders, the student body, and publications.

Members of the sportsmanship committee are from left to right: Mr. Corey, Bruce Malone, Bobbie Burchfiel, Miss Rod-

National Honor Society Recognizes Leading Students

The National Honor Society is a national organization that was founded on the principles of scholarship, citizenship, leadership, and service. The members are selected by a council of teachers appointed by the principal of each school. New members are given special recognition at an assembly of the entire student body. This assembly is one of the highlights of the year for anxious juniors and seniors. This year the society made an exception in its rules on attendance at the school when Bjorn

Linvig, foreign exchange student, was made an honorary member.

Activities of the society include a formal Christmas banquet, a picnic in honor of the senior members, and varied meetings which spotlight special speakers. Each year the Myrtle Lee Thornton Chapter, the name of the AHS society, gives a scholarship to Arlington State College to a deserving member.

AHS's Key Club is part of an international organization sponsored by the Kiwanis Club. It is a service club for boys primarily of the upper two classes, but there are a few sophomore members. The principal purpose is the betterment of the school and promotion of harmonious relations among the students with faculty.

This year the club sponsored a dance at which they elected Jeannie Elick as their sweetheart. The other nominees were Billie Holman and Judy Hopper. They also worked in the concession stand at the basketball games and delivered Christmas cards at Christmas.

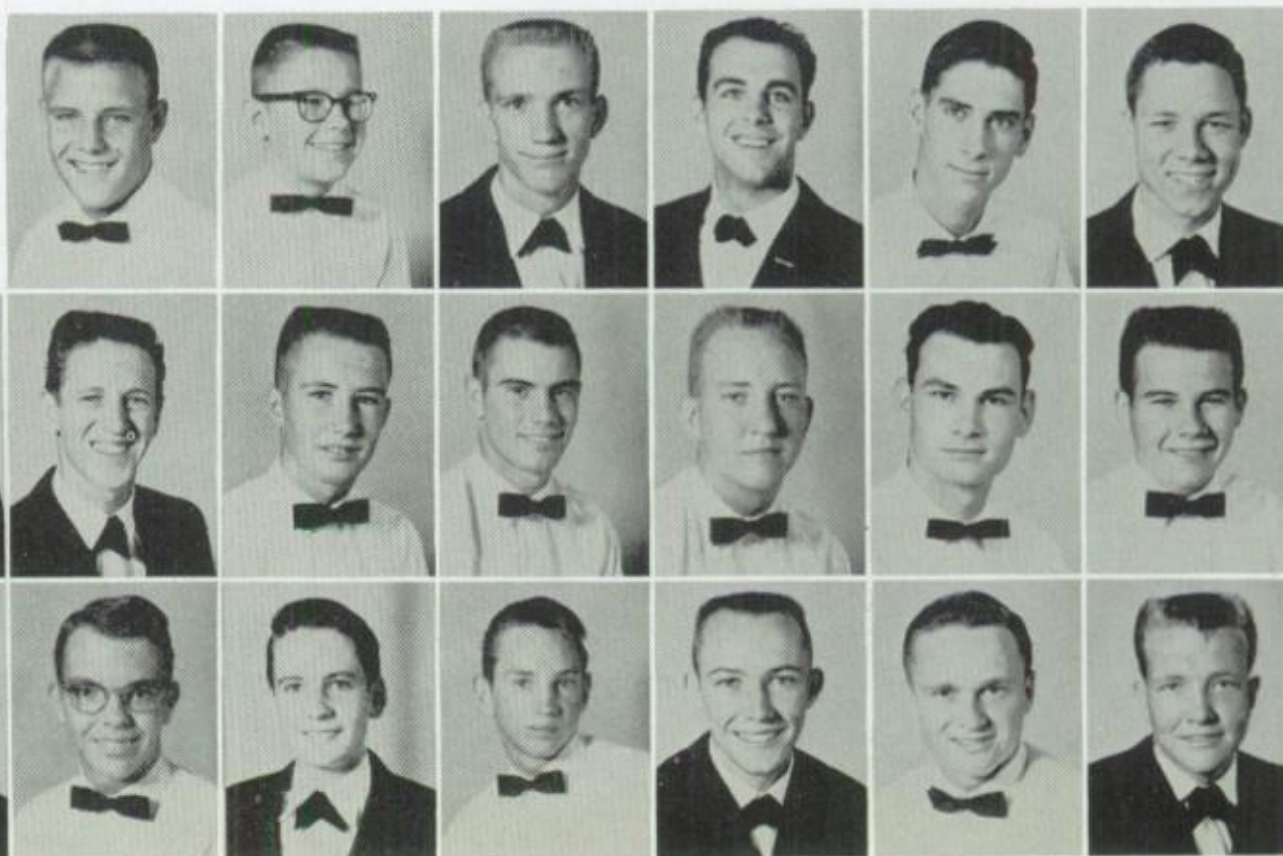

KEY CLUB OFFICERS, Richard Huebner, Sec.; Billy Moore, Pres.; John Boland, Tres.; and Mac Martin, Vice-Pres., prepare to deliver Christmas cards.

F.H.A. Prepares For Domestic Responsibility

Because many girls will become the "woman of the house," FHA seeks to prepare girls for the life in the home. Learning to live with other people and striving to please are two goals that are sought by members of FHA. To attain these goals, meetings and activities of the club are planned at the beginning of the year.

To provide association with others, a Bigger-and-Better party was held. The highlight of the year's activities was the Mother-Daughter Banquet. To end the year, FHA week was conducted. Flowers were placed in the office for teachers and other staff members to enjoy. A coffee for the teachers was served in the living room of the homemaking department by members of the club.

To conclude the week of activities, an assembly was presented by officers and members of the club.

Boys Prepare For Agriculture Through F.F.A.

Among some of the busiest people on the AHS Campus are the Future Farmers of America. Their wanderings cover such places as Fort Worth, Houston, Waco, and Dallas where they participate in agriculture shows. Many trophies and honors are won by the boys annually.

They not only attend important meetings and shows, but they also work at public speaking, radio work and other projects outside of agriculture. It is easy to see that the future holds much for the FFA.

MR. COREY

Throughout his years at Arlington High School, Dean P. Corey, band director, has put in many more hours at school than his job required. He has gained the respect and admiration of everyone at A.H.S.

Mr. Corey attended Transylvania College, University of Cincinnati, and College of Music.

Mr. Corey is well-known for his understanding and support of school activities and interests. Since the arrival of Mr. Corey at Arlington High School, he has devoted his time and talents toward the betterment and recognition of this school.

He is truly one of the most creative people at A.H.S. and is known for his steadfast belief in what he thinks is right and his ability to "stick" to the principles that he has laid down for others.

Throughout the summer, the Arlington High School band practices all the many routines that they are to present throughout the football season. His guidance and talents have surely made the Colt Marching Band one of the most widely recognized high school bands in the southwest.

We are indeed fortunate to have a band director so versatile and devoted to his school as Mr. Corey is. We are truly proud to be students of Arlington High School when the band marches onto the football field.

Choraliers Enjoy Annual Tour

Beth Ward finishes last-minute packing for annual tour.

One of the highlights of each school year is the Choraliers' annual tour. The trip usually lasts two days. It involves presenting programs of entertainment to schools on their itinerary.

The Choraliers gain experience in facing unfamiliar audiences, and schools they tour have often been inspired to further choral activities in their own schools.

Tommy Wood, Jean Mickelson, and Jane Scarborough leave for their trip with light hearts and a lot of work ahead.

Marvin Matthews, Cecil McPheeters, and Lynda Stovall give their robes a thorough inspection in preparation for their tour.

Research Brings Victories To Debaters

Among one of the newest and most active organizations at this school is the AHS debate team. They have had many outstanding victories at meets throughout the State. Among these victories were four wins at Sherman and eight at Dallas. The Club considered their victory over the Waco team as one of the highest points of the year's activities.

At Waco they took part in the nation's largest speech meet. It is easy to see that diligent study and preparation pays off by leaving an excellent record to the year's contest events.

Research is an important part of the debate club.

The Library Club ranks highly as a service organization at Arlington High School. One of the requirements for membership is participation in the program for library help. The responsibilities of the club include processing new books for display, checking books in and out to students and faculty, and arranging books and magazines on library shelves.

U / C Spotlight

The Vocational Industrial Club, which was organized this year, is open to students of the Industrial Co-operative Training classes. It offers members not only on-the-job training, which proves to be of immeasurable value to them later when they receive their diplomas, but they also receive monetary compensation for their work.

Among the manual occupations which have been pursued by members of the club are: auto mechanic, dental assistant, florist's assistant, x-ray technician, machinist, and brick layer.

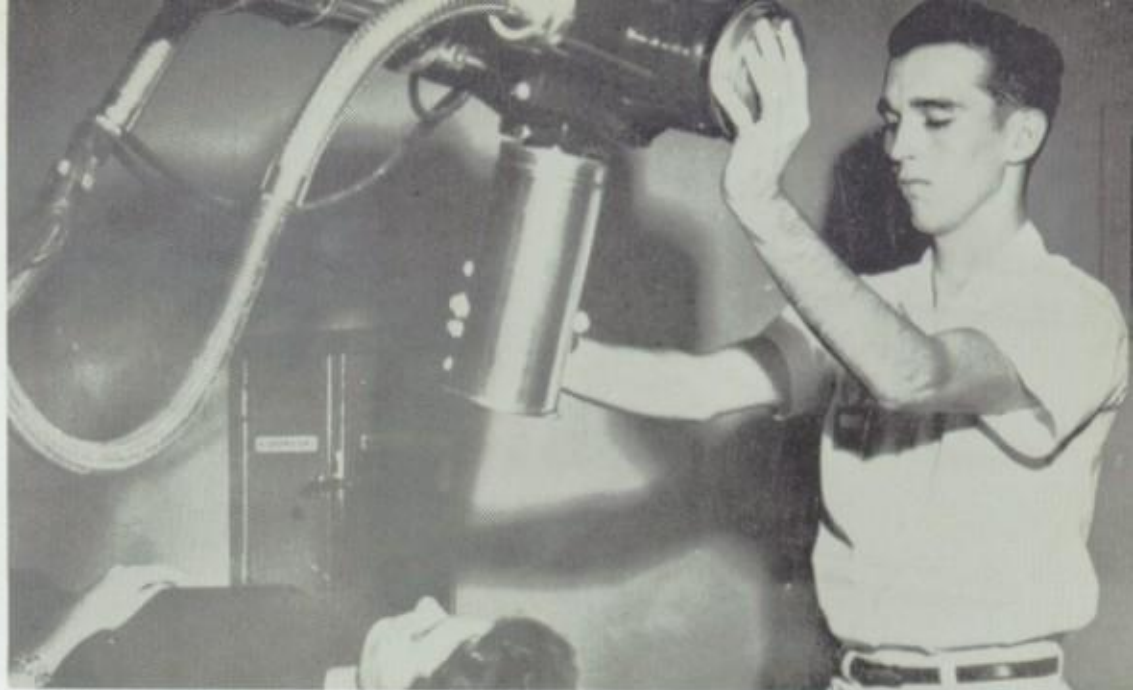

Even though some of the students will not continue the vocations they are now studying as permanent careers, this will be a stepping stone. In some cases the training and experience the students now receive will enable them to earn money for higher education in a related or entirely different field.

Kenneth Newsom and Dennis Niles find that idiosyncrasies of motors mean profits for mechanics.

Senior Play Has

Mary Cofer and Ricky Rivers rehearse lines from "The Man Who Came to Dinner".

Selected for the senior play this year was "The Man Who Came to Dinner," under the direction of Miss Sue Stinson. The play centered around Sheridan Whiteside, a well known writer and lecturer, who breaks his hip while visiting the Stanley home. After two months of rehearsals, the play was presented to the largest crowd ever to attend the senior play. Following the play the traditional cast and crew celebration was held in the student lounge.

Colt Corral Records Year's Accomplishments

This edition of the COLT CORRAL had its beginning last May with the announcement of the new staff members. One year ago most of us on the staff were only acquaintances, some were strangers. As the year progressed, a lasting bond of friendship was formed.

None of us were aware of all the work involved in putting an annual together. During the summer months, we met one night a week, and by September we had our "Hourglass" theme, the dedication, and cover chosen. We worked long hours after school and on week-ends, trying to meet our deadlines. Slowly but surely each shipment was sent off, and by March the last one was in. We sighed with relief as this deadline was met; now all that was left was the anxiety of waiting for the yearbooks to be delivered.

We have assembled this annual with, and we quote, "blood, sweat, toil, and tears," hoping that you, the student body and faculty, will enjoy it as much as we enjoyed working on it. We have set down on these pages the events that make memories--happy memories, unhappy memories. This annual has been made for you, and only you. We would like for you to enjoy it and read it from cover to cover.

Miss Ernestine Farr, Sponsor

Every organization needs a leader, one on whom people can depend to answer questions, solve problems, and organize. Carmelee, after being named Editor of the 1961 Colt Corral in the spring of last year, spent one week at A&M to prepare herself for this position. Long hours at night, after school, and during the week-ends were spent by Carmelee. Endless ideas were originated and discarded by her in an effort to make this annual an interesting, informative, and original book of which AHS can be proud.

During the three weeks that the COLT CORRAL was on sale, Ann had the duty of keeping track of the receipts and money for about 1333 annuals. Her job has been a very difficult one, but she never once complained.

The job of classifying and identifying 1620 AHS students was a tedious one. However, Ruth's reliability, sunny disposition, and genuine interest in her work has made the classes section the best yet.

A free yearbook is always awarded to the staff member who sells the greatest number of annuals. Cathie, who won this year's annual, readily displayed her determined persistence to make this yearbook enjoyed by everyone.

Jimmy has used his artistic talents this year in his work as Art Editor. His hard work and pleasing personality have made him an important member of the staff. His interest in the annual and his desire for originality have characterized his efforts.

In addition to writing copy for the annual, Tommie kept us all amused with her wry and witty comments. After finishing with her layouts, she was always willing to talk and eat dill pickles.

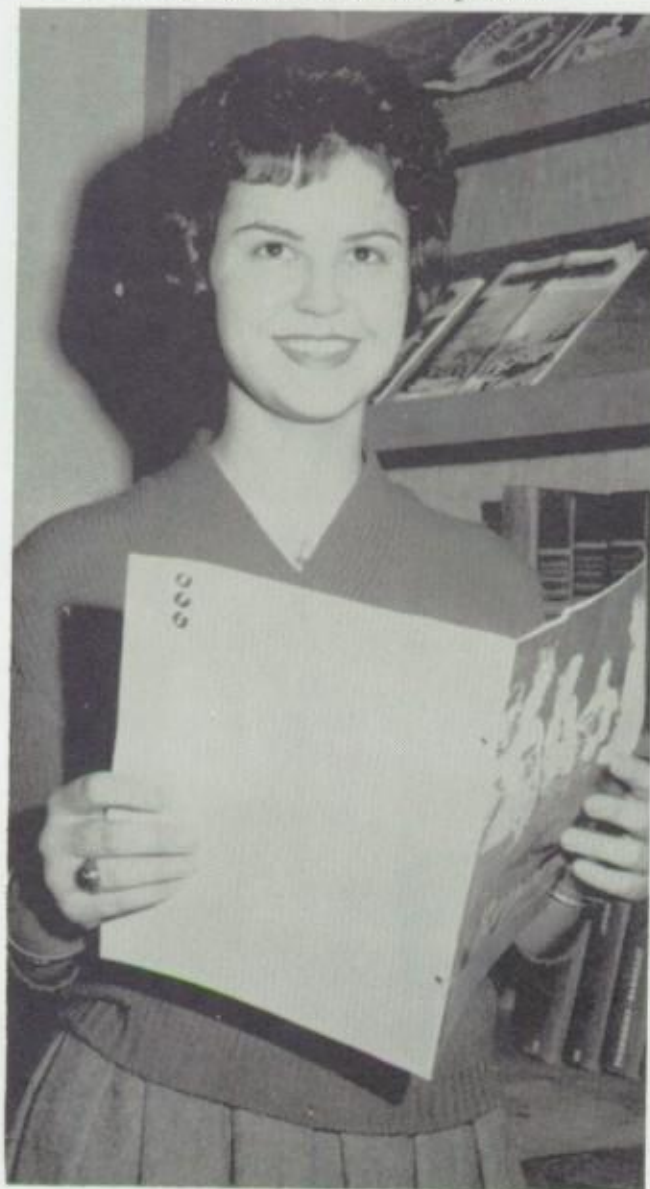

A keen interest in school activities and organizations is essential to the position that Pat fills. Having attended AHS for four years, she is acquainted with the customs and traditions that are interesting to the student body.

In performing her tasks as Faculty Editor, Clemma fulfills her assignments with speed and accuracy. She is always willing to help others with their layouts and copy when her assignments are completed.

ing out daily picture assignments and ing a record of school events, as well working on the regular layouts are ng the many duties of this staff mem- Toby's desire to please everyone has e her a favorite of the staff.

Anne's sense of humor added an atmosphere of hilarity to the annual room on many a dismal day. Her willingness to work and her originality make her a "natural" as a staff member.

ugh the wear and tear of being a member, Hardy has proved very e. We'll always remember how he buted to our annual by calling for e.

Keeping a record of about 1600 students is quite a job for anybody. Pat's position as Typist and File Clerk requires the alphabetization and recording of all the students at AHS. Many days she was at work long after other staff members had gone home..

A well-rounded account of school activities is necessary to a good annual. As Activities Editor, Juanice reflected her keen interest in the curriculum of the school. Her cheerful attitude and her ability "to get the job done" made her an asset to the staff.

Mrs. Busbee awaits the noon rush of students.

Workers Prepare Food For Hungry Students

Mrs. Jones and Mrs. Johnson prepare the daily meals.

Beginning at 7:30 in the mornings, the lunchroom workers begin preparing meals for about 400 teachers and students. This often takes as much as 120 pounds of chicken each day. It is necessary to bake many things such as cookies and cakes the preceding day.

At noon the lunchroom ladies are among the most popular groups at Arlington High School. At this time the hungry students shower them with compliments in an effort to receive a larger helping of food.

Mrs. Sherril and Mrs. Johnson give service with a smile.

School Custodians Perform Necessary Tasks

During and after school hours the custodians work to keep our school in running order. They arrive early in the mornings to heat the buildings, unlock the doors, and raise the flag.

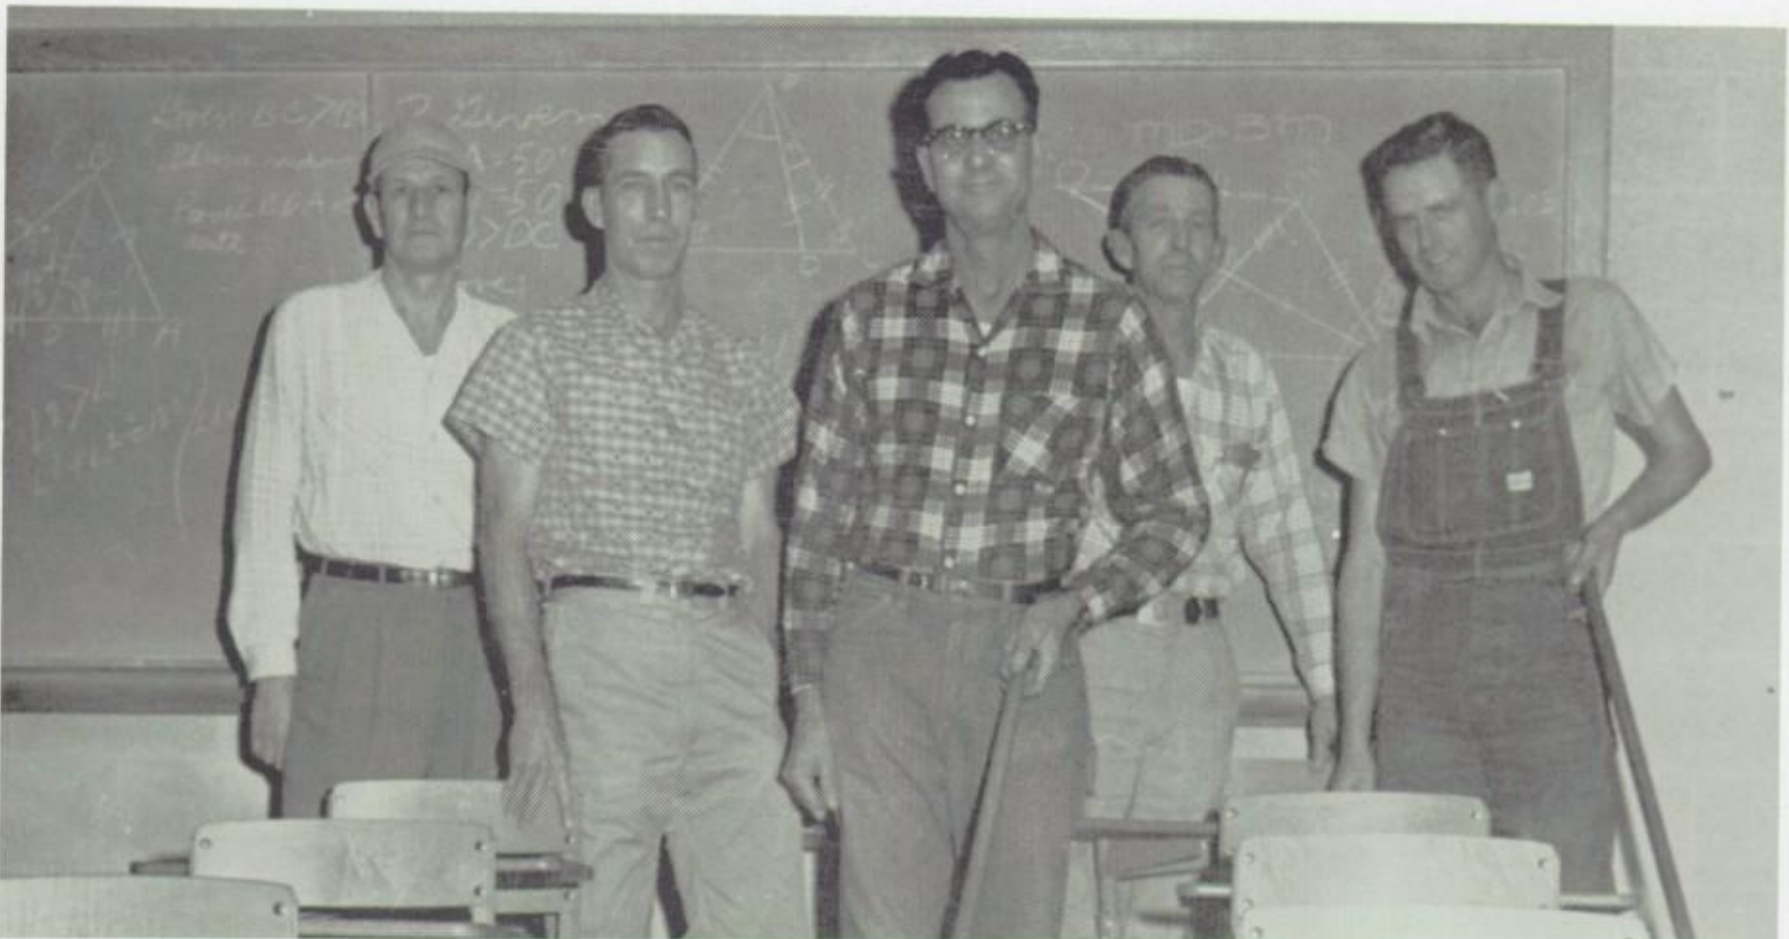

Another thing of great importance is the enormous quantity of items used by these men. In one week they use 5 gallons of wax, 20 packages of folding paper towels, and 2 gallons of disinfectant. In one month they replace from 50 to 75 light bulbs in sizes from 25 watts to 750 watts.

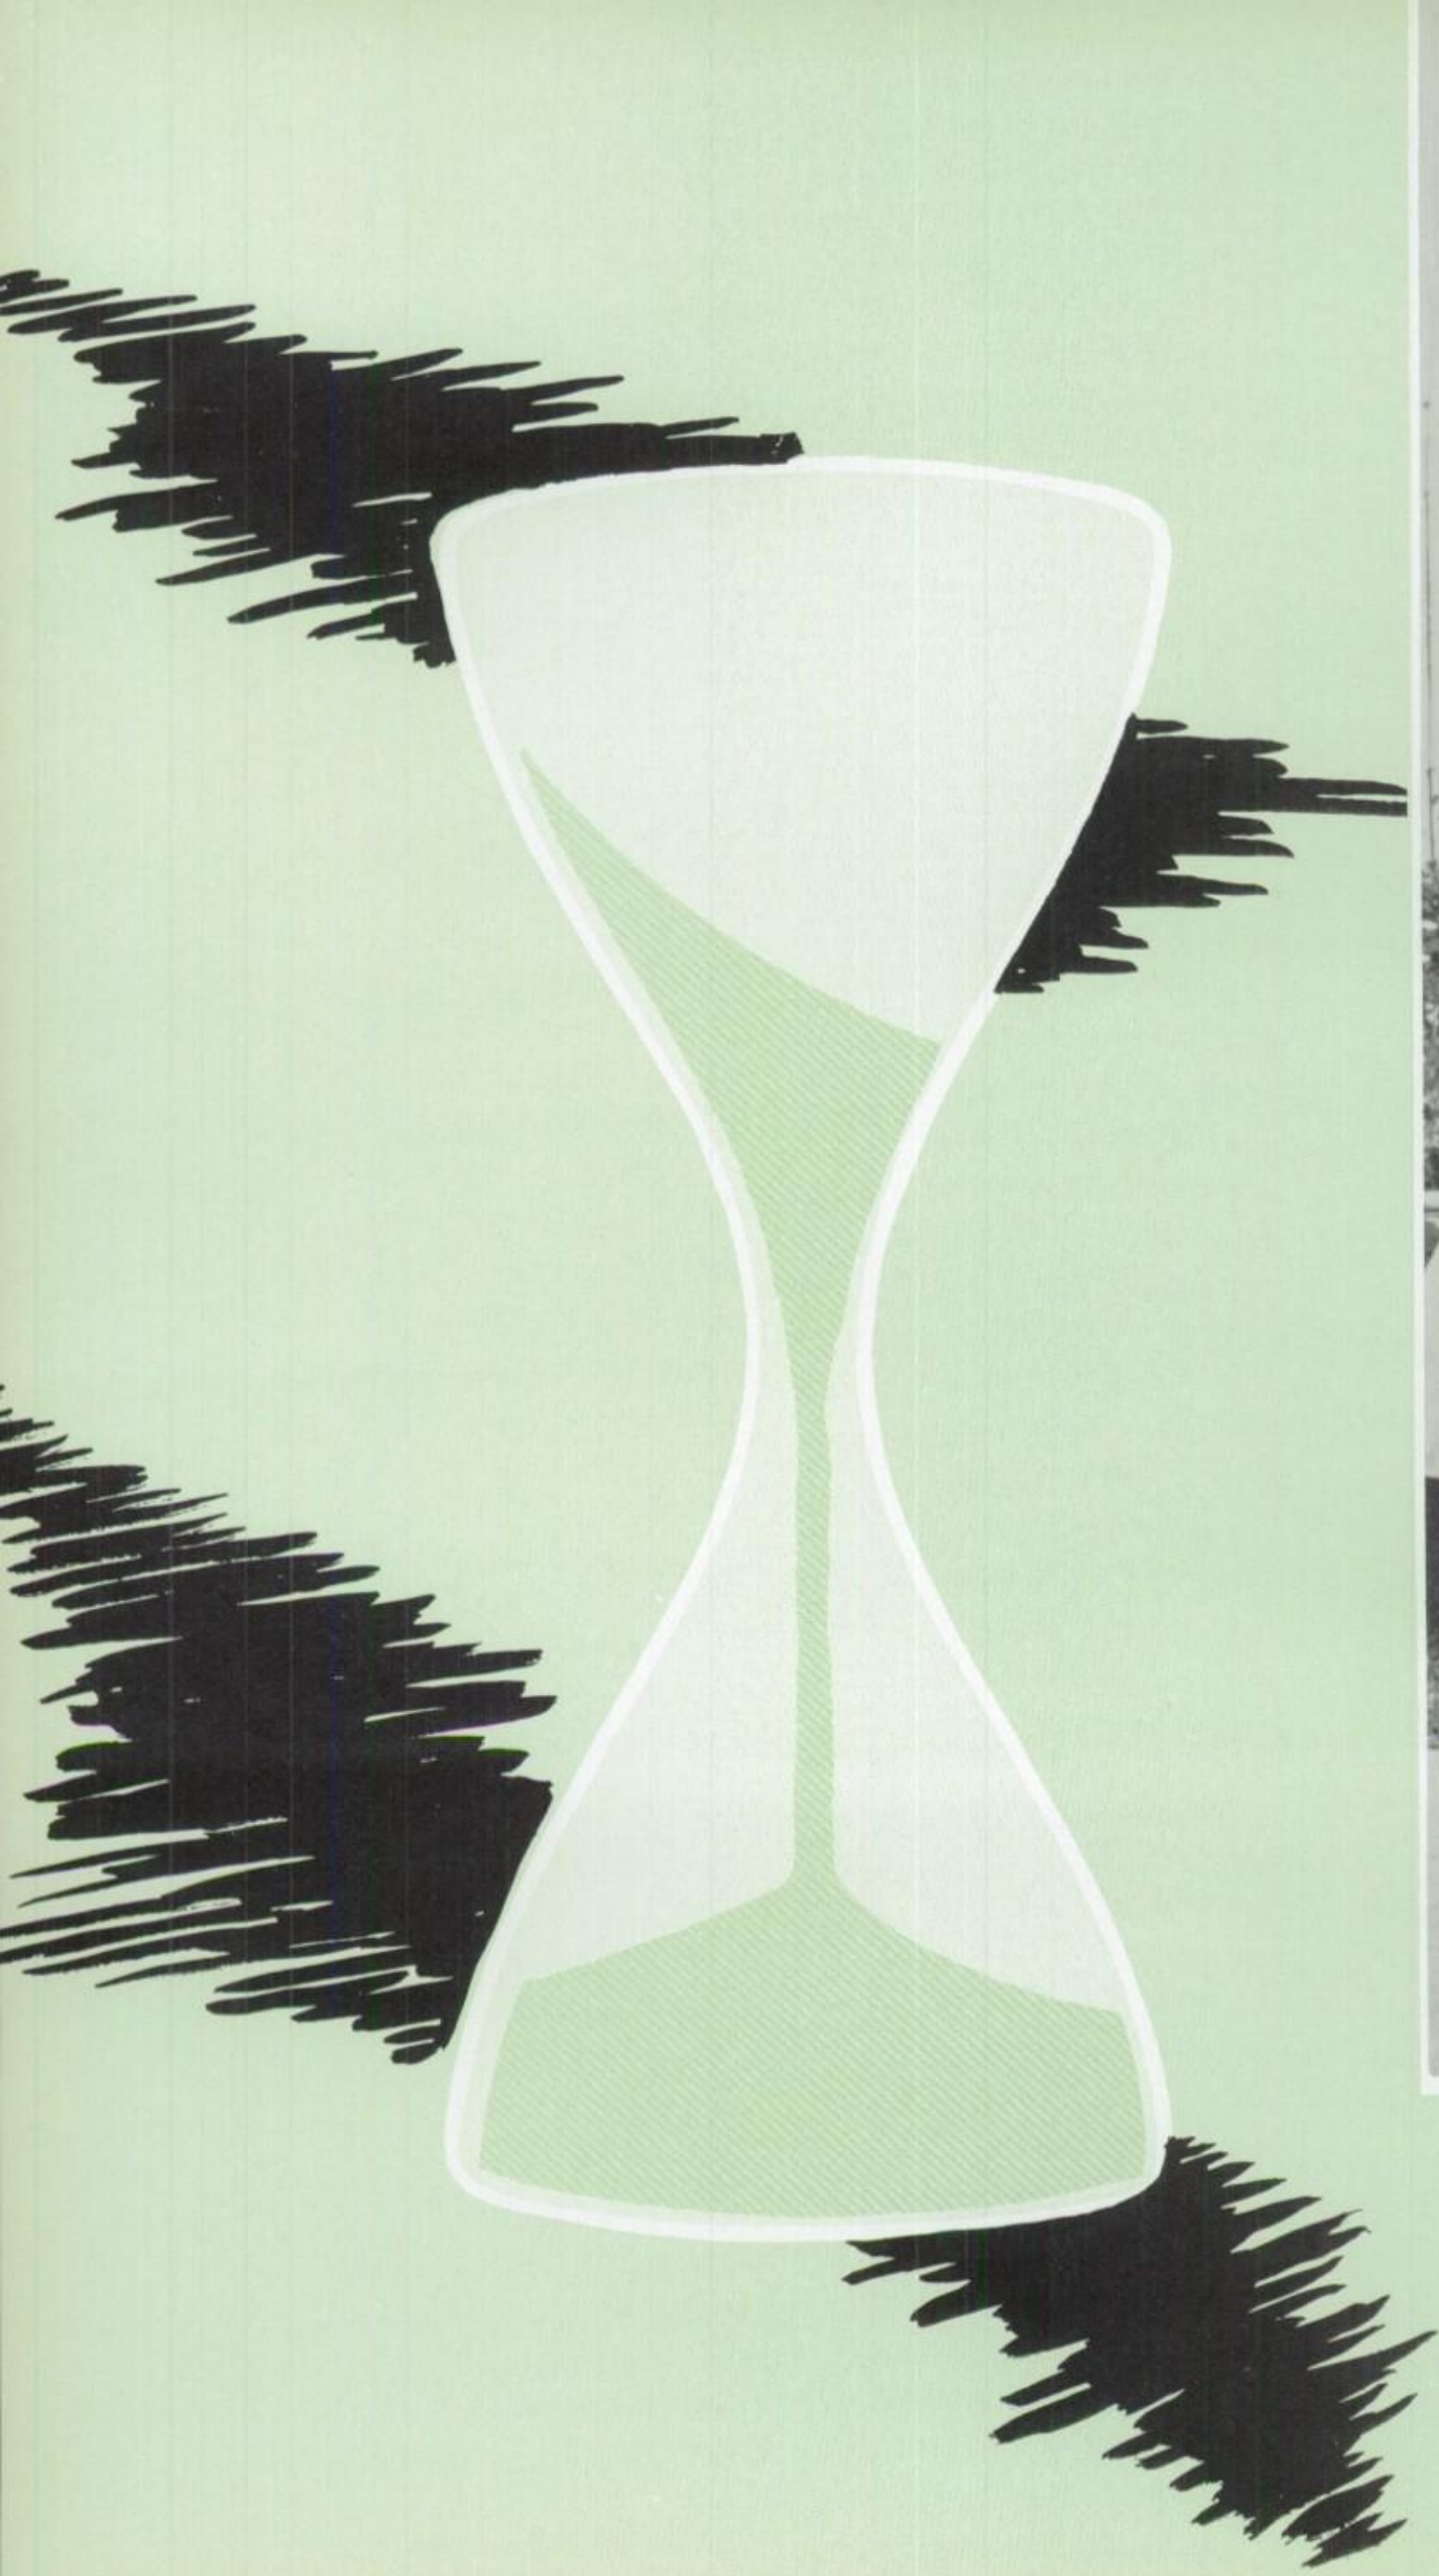

Mr. Mercer keeps the building clean during school hours.

Pete Henz, maintenance mechanic, changes a light bulb in the band hall.

Ernest Goerdel, Franklin Damron, John Nowlin, Walter Howell, and Alvin Brooks work after school hours from 3:30 until 11:30.

Excitement Prevails Throughout '60 Season

Arlington's Colts had an exceptionally good season compiling a 7-2-1 record. They finished second in district with a record of 2-1-1. Garland, Greenville, and McKinney, three of the Colts pre-season opponents, later proved to be tops in their own districts. The most exciting game of the season was the Arlington and Grand Prairie clash. For the first time in 13 years, Arlington emerged the victor. A fake extra point play was the deciding factor in the 8-6 win. Arlington's homecoming game was somewhat of a disappointment as the Colts lost to Wichita Falls 34-14. The Colts, however, scored more points against the powerful Coyotes than any other team. Arlington had more all-district players than any other team in district 4-A. Those making the all-district team were Marvin Matthews, Steve Jackson, Laszlo Pahany, Tom Demaris, Dick Carmichael, Kenneth Watkins, Al Stepp, Brice Houston, and Andy Wright. Captains for the season were Marvin Matthews, Brice Houston, and Steve Jackson. Most promising juniors for next year's team are Dick Carmichael, Mike Farhat, and Bob Yancer.

Colts Take Steers 16-8 For First Win

Arlington's Colts grabbed a 16-8 victory from the North Side Steers to open their season for 1960. The Colts showed their fine spirit and outstanding play that were to prevail throughout the season. From their own 35, the Colts moved to their first touchdown with Brice Houston passing to Jerry Jones for the score. In the second period with Dwayne Ivy, Al Stepp, Jerry Jones carrying the ball, the team drove to their second touchdown with Houston going over from the 8. In the

last half the Colts showed their defensive power in the third period as they held the Steers to only one score. Coach Workman sprinkled reserves generously into the contest in an effort to check all the talent for the season. The Colts made a sparkling show for their first game, even though the spirits were dampened by occasional showers and fumbles. All in all, the Colts backfield and line held firm throughout the game.

Lions Lose 12-8 in Exciting Tussle

The Arlington Colts, lagging behind at half-time, pulled out in the second quarter to defeat the Greenville Lions, 12-8, in one of their most exciting games of the season. The Lions dominated the first half of the game. They scored first with eight points in the second quarter. After half-time the Colts marched 60 yards for their first touchdown. Brice Houston and Billy Moore accounted for most of the yardage. Jerry Jones scored the touchdown from the Greenville 6. Late in the fourth quarter, Dick Carmichael took a punt on the Lion's 40, and returned it for 23 yards to the visitor's 17 yard line. Penalty placed the ball on Greenville's 10. In two carries Al Stepp moved the ball to the 1 where Brice Houston scored with 1:50 minutes left in the game. Harry Allison, Kenneth LaJudice, and Andy Wright were outstanding defensively for the Colts. Outstanding on offense were Brice Houston, Al Stepp, and Dick Carmichael.

Jackson and Carmichael move in to stop a Lion ball carrier.

Halfback Billy Moore evades an attempted tackle only to meet two awaiting opponents.

McKinney Hands Colts 20-0 Loss

McKinney handed Arlington its first loss of the season, 20-0. McKinney scored in the first quarter as they went 44 yards in 8 plays. Halfback Jim Rich ran 21 yards for the touchdown. The Colts had a good chance to score after guard Keith Skiles recovered a McKinney fumble on McKinney's 18 yard line. However, they failed to score. The game then turned into a defensive battle and neither team was able to penetrate the others 20 yard line, until the lions marched 75 yards for another touchdown, in the fourth quarter. Kenneth Gill and Bobby Cooper accounted for most of the yardage, and Cooper scored the touchdown. McKinney quickly scored again after Justice had intercepted an Arlington pass and returned it to the 6 yard line. Jenkins scored two plays later. The Colts gained only 98 yards rushing, lead by

fullback Billy Moore, who gained 28 yards on 5 carries. Quarterbacks Brice Houston and Dick Carmichael completed 6 of 16 passes in the game. George Faught caught 3 passes for 50 yards.

AHS Eleven Drive Past Owls, 12-7

In one of the most exciting games of the season, Arlington slipped by Garland to a 12-7 victory. On the opening kickoff Garland drove 67 yards in 13 plays to the Colt 13. From there Buch Metcalf attempted a field goal which fell short and was fumbled by the Colts. After an exchange of punts, Garland took the ball again on the Arlington 35. Garland moved to the Arlington 17 before quarterback Dick Carmichael intercepted a pass and returned it to the 31 yard line. From there the Colts moved in 13 plays to the Garland 6 where Al Stepp scored the first touchdown in the game. Late in the third quarter Garland scored the only touchdown. Metcalf put Garland out in front 7-7 as he kicked the extra point. Taking the kickoff Arlington moved from their own 23 to the Garland 1 in sixteen plays. Carmichael scored from the 1.

Brice Houston breaks through Owl line in the drive for a touchdown.

Dwayne Ivy, 33, strives to push through Poly defenders.

Parrots Take 15-0 Loss

Arlington beat Poly 15-0 scoring two touchdowns in the first quarter. Arlington got control of the ball early in the game as Dick Carmichael recovered a Poly fumble on the Arlington 20 yard line. With a first down and needing 25 on the Poly 37, Brice Houston ran 63 yards for Arlington's first touchdown. Andy Wright kicked the extra point. After taking a short Poly punt, Arlington moved for their second touchdown. Dwayne Ivy, Al Stepp, Jerry Jones, and Brice Houston alternated on line plunges for a first down on the Poly 17. Houston passed to Kenneth Watkins for another touchdown. Ivy ran the two extra points. Poly threatened in the fourth quarter when they went to the Colt 17 yard line. Their drive was interrupted as Simpson Garrison recovered a Parrot fumble, and the ball went over to Arlington. Carmichael then threw a pass to George Faught, but it was shy of the necessary yards. Outstanding on the Arlington team were Houston, who accounted for 104 yards in 8 carries, and Ivy with 57 yards in 14 tries.

Swallow Colts 18-0 Victory

Arlington finished their pre-district competition by smashing Denton 18-0. They scored two touchdowns in the second quarter and one in the third. Early in the second, however, Brice Houston fielded a Denton punt and raced back to the Bronco 39 from where, in six plays Arlington scored. The key figure in the drive to the Denton 17 was halfback Bobby Yancer, who pounded out 13 yards in three carries. Dick Carmichael carried the final 17 yards after he stepped back to pass and found a path wide open to the goal. Arlington drove for a second touchdown after Keith Skiles recovered a fumble on the Denton 37. Jackie Fanning and Yancer alternated on carries to the 22. Houston ran to the 13. He then passed to Steve Jackson for the touchdown with 31 seconds left in the half. The final drive came after a punt return to the Colt 35 yard line. During the drive Houston ran 43 yards to the Denton 11. Dwayne Ivy scored two plays later.

Colts Break Gopher Jinx, 8-6

Arlington's Colts played their most exciting game of the season against Grand Prairie. After a scoreless first quarter, Arlington began its touchdown drive after taking a Gopher punt on their own 24 yard line. They moved in nine plays to the Gopher one. Biggest gains in the drive were two passes to George Faught and one to Jerry Jones from quarterback Brice Houston. From the one, Houston, Dwayne Ivy and Jones tried stabs into the line to no avail. On the fourth

down Dick Carmichael circled left end for the score. A "fake kick" play after the touchdown produced the winning margin for the Colts. Instead of placing the ball for Andy Wright to kick, Houston wheeled to his right and passed to halfback Kenneth Watkins in the end-zone. There was no scoring in the third quarter as the defenses dominated the game. Halfback Benny Longacre ran left end for the

score. Quarterback Billy Bob Stewart was stopped short of the goal by Houston as he attempted the two extra points. The final score was left at 8-6, to the joy of a cheering Arlington crowd.

Buffs Fall 24-6 To Fighting Colts

Colts had a decisive victory over Birdville, 24-6. An early first quarter drive for the Colts stalled shortly after Brice Houston had intercepted a Birdville pass on the 18 yard line. Midway in the second period Arlington scored when Dwayne Ivy ran for 6 yards climaxing a 59 yard drive which had taken 12 plays. Taking over late in the third quarter on their 49, where a punt rolled dead, the Colts started their second scoring drive. They moved in 8 plays to the Birdville 2 yard line. From there Jerry Jones scored the touchdown after taking a pitchout from Brice Houston. On the final play of the third period, Colt tackle Mike Farhat fell on a Birdville fumble on the visitors 45. Ten plays later halfback Bobby Yancer scored from the 3 yard line. Arlington began its last scoring drive late in the fourth quarter. Several penalties, a three-yard run by Yancer, and a nine-yarder by John Coble put the ball on the 12. After an 11 yard run by Hart, Yancer scored the touchdown.

Bob Yancer has just been stopped by a host of Birdville players.

Wichita Dampens Homecoming, 34-14

Arlington's second loss of the year came at the hands of Wichita Falls' Coyotes led by Larry Shields. Wichita Falls scored its first touchdown shortly after intercepting a Colt pass on the 43 yard line. Shields scored seven plays later. Joe Watkins kicked the first of four extra points to put the Coyotes out in front, 7-0. Only minutes later, Wichita Falls recovered a fumble on Arlington's 21 yard line which set up their second score. Shields scored in the next two plays. Shields

later scored another touchdown, putting the Coyotes to a 20-0 lead at half-time. Arlington began moving early in the second half, but a fumble gave the ball to the Coyotes again. Late in the third quarter Butch Hunn ran 19 yards for another Wichita Falls touchdown. Watkins kicked the extra point to make the score 26-0. Halfback, Bobby Yancer, scored Arlington's first touchdown early in the

fourth quarter. Wichita Falls scored their final touchdown as Shields ran 71 yards. Full-back, Al Stepp, scored Arlington's second touchdown after Dick Carmichael had run 71 yards to the 5.

Tigers Hold Colts, 0-0

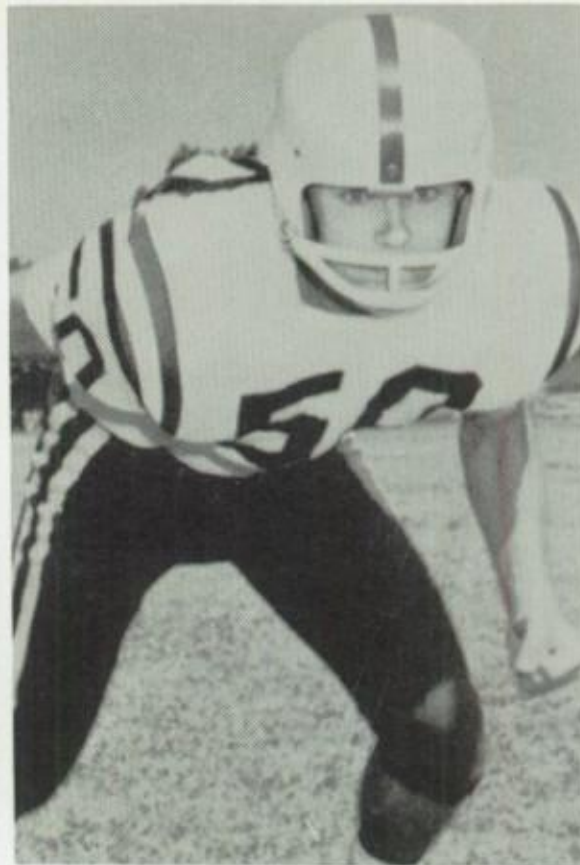

Arlington's last game of the season ended in a tie with Irving as the Tigers were inspired by their Homecoming activities. Although there was no score, there were many exciting plays in the game. Arlington began a drive on the Tiger 48 yard line where Dick Carmichael returned a kick. The drive ended on the 10 yard line, however, as Brice Houston passed incomplete into the endzone. Houston, Al Step, and Dwayne Ivy accounted for most of the yardage gained in the drive. Halftime ended with the Tigers on Arlington's 43 yard line. Interceptions and fumbles cut short several other would-be scoring opportunities on the part of both teams. Irving's most serious scoring threat was late in the final period, but it ended on the Colt 15 yard line. The Irving game ended the season and brought Arlington's record to 7-2-1.

B-team Plays Outstanding Football

Arlington High School's B-team had a very fine season. They finished with an 8-1-1 record. They were tied by Garland and were defeated by Wichita Falls. The loss to Wichita Falls was due largely to injuries. They played exceptionally good football throughout the year. Many of their wins were by large scores. Andy Chambers, Rusty Workman, and Billy Pearson served as this year's captains. The B-team has produced several promising players for next year's A-team. These include Tim Gillespie, Mike Hubbard, and Billy Pearsons as linemen, and Jimmy Biggers, David Bane, Joe Skelton, and Rusty Workman as backfield men.

Coach Sam Curlee

Arlington's basketball team had an interesting season, although they did not reach their original expectations. In pre-district competition they won seven games and lost eight. The Colts looked especially impressive in the game against Carrollton in which they scored 88 points. Don Riley and Sonny Williams made their highest point totals of the season scoring 36 and 33, respectively.

In the first half of district play the Colts won two of their four games, beating two of their oldest rivals, Grand Prairie and Wichita Falls. The Wichita Falls contest was especially exciting. After an overtime period, Harvey Dominy scored the winning basket in the 52-51 win. The Colts did not do quite as well in the second half of district play, losing all four of their games. Seeing most of the action this year were Don Riley, James Klutz, Sonny Williams, Jim Bergin, Harvey Dominy, and Pat Mahan. Two Arlington players were placed on the all-district team. Don Riley made the first team, and Sonny Williams made the second team. Juniors who will be back next year, are Bob Yancer, Tommy Lowe, and Pat Mahan. Jim Bergin, a sophomore, will have two more years.

*FACULTY
&
CLASSES*

MISS ELIZABETH AMOS, B.A., M.A. Fortunate are the juniors who are students of English under Miss Amos. They receive a strong background in American literature plus a wider concept of life. Also Miss Amos boosts school spirit and loyalty to AHS.

MRS. LOU BAKER, B.A. Algebra II is taught by Mrs. Baker, but her math classes are far from dull. A good-natured and likeable person, she is the receiver of many practical jokes schemed by her students. She laughs, and then explains logarithms for the fifth time.

MRS. ANNA BALLARD, B.S. P.E. teacher Mrs. Ballard is enjoying her first year at AHS. With her vivaciousness she instructs the girls in volleyball, basketball, tumbling and good old exercises.

MRS. NADINE BARKER, B.A., M. ED. Teaching Latin is the job of Mrs. Barker, who realizes foreign language is becoming more important. She is a very capable and interesting teacher, and her students find Latin not as difficult as they had thought it to be.

Prepares Student For Future

MR. ROBERT BENNETT, B.A.

With teacher, Mr. Bennett, explains the problems in Algebra I to one-hundred students each day. The young bachelor enjoys teasing students, especially the girls, but he also insists that they study and master factoring.

This is Mr. Booher's fifth year to teach industrial arts in the Arlington School System. While sponsoring the sophomore class this year, his knowledge in shop proved most valuable especially at float-building time.

MRS. MAX BREWER, B.S., M.S.

Mrs. Brewer must enjoy teaching mathematics because she has five classes of plane geometry. She demands an attentive class, but she sometimes finds classroom situations quite humorous. Her reply often is "You must learn the theorems."

Mr. Bennett explains a difficult problem, learning to use a compass, to Miss Butler and Mr. Booher.

MISS NORA BUTLER, B.A., M.A.

In her quite, easy-going manner Miss Butler teaches solid and plane geometry. She enjoys laughing with her students and giving them extra difficult problems to solve.

Teachers Lead In School

MISS PEARL BUTLER, B.A., M.ED.
She never knew a man she didn't know something about. This is very typical of Miss Butler. American History. Her students leave her class as better students, better citizens, and better Americans.

MRS. FRANCES CAMPBELL, A.B.
Anything having to do with English literature is of interest to Mrs. Campbell as she is one of the four senior English teachers. Her methods of teaching are thorough enough to produce many students who are well prepared for college.

Mrs. Campbell, Miss Butler, and Mrs. Clements look over the list of absentees before going to class.

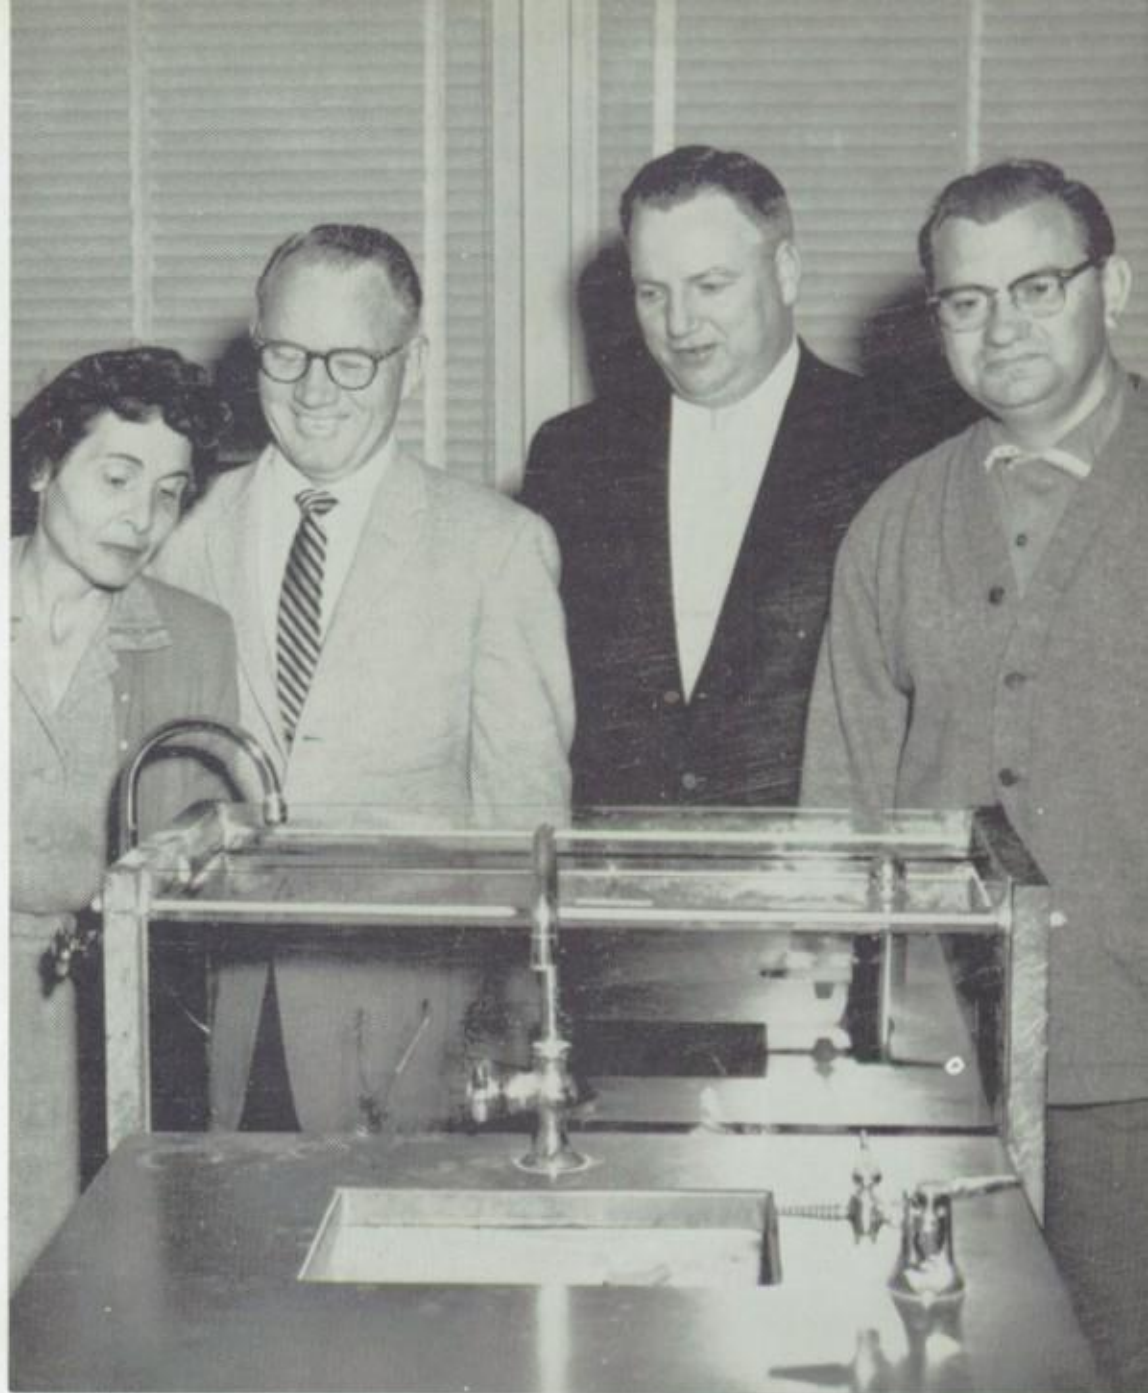

MRS. MARY CLEMENTS, B.S., M.ED.
General science and chemistry are two subjects Mrs. Clements knows from start to finish, and she attempts to pass this knowledge along to her many students. Her thorough methods of teaching tend to produce scientists for tomorrow's use.

Activities

MR. FRANK COLLINS, B.S., M.ED.
A stickler for daily quizzes, Mr. Collins is often heard to say, "Get out a half sheet of paper." He is a well-organized science teacher who is quick to return all tests. Mr. Collins captivates all of his students with his dry sense of humor.

Mr. Corey, Mr. Crouch, and Mrs. Crouch admire Mr. Collins's fish.

MR. JAMES CROUCH, B.S.
Mr. Crouch, a true farm boy in every sense of the word, has taught business math at Arlington High School for the past three years. He is always willing to take part in all of the class projects; and all of his students know that he is always ready to help.

MRS. MARIE CROUCH, A.B., M.B.A.
"Double check your papers for mistakes," says typing and bookkeeping teacher, Marie Crouch. Mrs. Crouch uses her many years of experience in the teaching and business fields to further the learning of her many students.

Miss Ellis is teaching Mr. Duff, Mr. Cullers, and Mr. Curlee some of the finer points of singing.

MR. J. EDGAR CULLERS, B.S., M.A.
A man with his eyes on designing is a phrase that best befits Mr. Cullers, mechanical drawing teacher. Mr. Cullers has served as a class sponsor for the various classes during the past several years. He has given all of his students the benefit of his long years of experience.

MR. C. C. DUFF, B.A., M.ED.

MRS. ELIZABETH GARDNER, B.S.
1776 and 1812 are dates that are hard to remember by most people, but to a world history teacher like Mrs. Gardner it's "old stuff." She strives to make her classes more interesting.

CLASS OF '61

There are 420 students at A.H.S. who will finish their high school education at the close of the 1960-61 school year.

An exciting election last year for the class presidency resulted in Bruce Malone being elected and Kenneth Watkins serving as vice-president with Bobbie Burchfiel as the secretary.

Arlington High School can, indeed, be proud of its Senior Class of 1961. They are a credit and inspiration to each other because of their class and school loyalty.

In Memoriam

Mr. C. C. Duff

Who is to say what a man is worth? Perhaps it would be one who had never known him but wished that he had. Perhaps it would be God. Perhaps it would be those who fondly remember him. Whoever, whatever, Mr. Duff's presence will never die. It exists in his influence, his actions, his character--these things will remain forever. He lives in the memories of those who have been touched by his outgoing life: those who have known his generosity, those who have been given his patience, those who have been uplifted by his good humor, those who have been comforted by his sympathy, and those to whom he has so freely given his kindness. He has left a part of himself with everyone he knew. Because of this, we consider ourselves fortunate to have known him, for the part that he left with each one of us has changed our lives in some good way.

Who is to say how many he has touched? how many he has helped? The students in his science classes know. The teachers and the students he worked with know. The members of his family know. He was truly an unselfish man to have given so much to so many. The greatest tribute that anyone can pay him is to say that he will never be forgotten by those who have known and loved him.

IN MEMORY
by Velda Heron

Their love of life and simple things,
The love that only goodness brings,
The quiet happiness they all knew,
The love they felt for friends so true,
Their happy laughter, friendly smiles
Will linger through our weary miles
And give us in our work and play
A true desire to be as they.
And may we ever as we live
More love to others humbly give.

Dedicated to the memory of
Kathy Fleming, Claudia Reeves,
and Lou Goldner
